1. Death will be swallowed up in victory and the world will not know what to do with it. They will not know what to think because it does not meet their paradigm, their expectations. Their history and tradition is different, and yet the new thing that I am doing is coming, and coming in waves, not, but explosively now and now is, and you are the beginning and at the beginning and the beginning is and has begun already.

2. I love you and I am you and I am in you and I am in My body and I am My body and I love My body and My body is coming Me in fashion and form of only Me, and, yea, death where is thy sting? No more will thou reign supreme. No more will you take that which is Mine and no more will you demand or diminish, yea, that which I have placed in My creation, or you will be diminished and demised and existent no longer. Oh death, gone, grave clothes no more preparing for.

3. Yea, I love you and I give you Me. Guts of/for only Me, My body, who now wade through grave clothes none, but, yea, **automatically in My kingdom are, yea knowing Me in fullness, the newness of creation, created and birthed anew and new creation Me.**

4. I love you and I give you Me and I am coming in form and fashion of Me/My body and My body will behold Me, My words, My power, yea, autonomy none, yet completely surrendered in the newness of Me, the fullness of Me, yea autonomy of **one, yea who surrendereth skill, mind, and forethought, yea, all thought, unto Me, to Me be.**

5. Yea, the world is worthy and I judge and I come now and each one judges, yea, who sits on their throne, be it Me or them. **Yea, there are only two, not, there is one: Me, and not-Me ceases.** And, yea, **watch Me into the immortality eternalness of everlastingness, yea, oneness, one, Me, My family, yea, together in Father's house.** I love you and I give you Me.

6. Watch not the clock for all things are in My hand**, and yea, I have all things, yea in My purview, My peripheral vision, not, yea I have every single one, every**

single person and circumstance in My monocular'd, perfect vision of who I am and what I am; and yea those who will receive the word of faith, not, but the word of life, the tree of life; yea the tree of knowledge of good and evil, not eating of, biting no longer, taking of two; but yea only one, being one, the one I created, yea, the one I love. I have eyes for only you.

7. I love you and guts come increasingly, yea, tensile strength of only Me and not steel-thought but steel true and real, yea, My Father's love, yea, abounds and abounding now through you and your ways and your words and those arising in power, might and glory of surrender, surrender, Operation Surrender leading, yea, in lands many, lands all and afar and past victory-thought, beyond, yea, into far and away far.

8. I love you and I give you Me and I am coming in glory and I am coming for those who will not limit Me, those who will not strink in Me, try in their own might; but yea limit Me not in the surrender, the surrender of love that love is, yea, saying "Here I am, I love you, I give You me, I give You all of me, I give You all of me, at all times and all of me and all that I am, all that I have and ever will be is Yours."

9. I love you and I give you Me, wholly, fully this day, fully, fully, this day. I am yours, I am thine, and yea, you are Mine who have chosen, yea, to give Me yourself and let My throne reign supreme in/on yours and yea, be the King of Kings and Lord of Lords that yea, you are/I am; yea in the surrender of perfection, yea, stainless incorruption.

10. I love you and I give you Me; strength, fortitude and tenacity, yea, answers and tensile of only Me. I love you, I love you, I love you, I give you this day and all that I have said is true and all My words are true and everlasting and yea, will return to Me none void. Yea, I love you. I give you Me.

11. Thank you for training and raising leaders of leaders who know Me in **the strength of My word and the word of My strength and the flood of My New Covenant pouring over/into them** and through them and rising into lands all and every culture, nation, tribe and tongue and afar, and afar and afarther.

12. I love you and I give you Me this day. All that I have said is true and light and life and My light and life flows through you now in words magnanimous and thoughts so tangible, visible and yea, steel in the ground. Watch Me.

13. Watch Me arise My towers and all that I am doing in the earth, yea, in you, through you, and through the surrendered, yea Operation Surrender revealing My all. I love you, withholding nothing.

14. I give you Me, Me, I am yours, you are Mine, we are one, and yea, the world beholds a man in love with Me: one. Amen. And loving My every person, born and unborn and birthing, yea and protecting the unborn to be born in My name and come forth as pure gold, Father's light and life, Beholdenment of the I Am, I Am being. I love you. Thank you. For no man sits on My throne but Me: those who have brought Me forth, those who seek Me, who love Me, who give Me everything, I give everything to and I withhold nothing.

15. **This is the day of new beginnings, yea, there is a new beginning everyday, and there is a new beginning today in you and Me in the new things I am doing, coming forth more visible, more tangible and yea, the world will behold and no one will surreptitiously think that I have come incognito, but yea, full to the forefront I am standing there and yea, reigning in love, bowed, bowing, surrendering, yea, kneeling before thousands saying,** "Come unto Me, ye that are heavy laden and I will give you rest. The fountain of blood/life flows so freely. Drink and enjoy. Eat this Passover with Me and become who you are, who you are, your true/real design."

16. I love you and I give you Me. Networks of Me, people with passion and leadership, guts, serenity and placidity, yea, in the midst of all turmoil, circumstances looming, swirling, which yea cannot penetrate My peace, yea in My leadershipped ones that now come forth from My hand, your hand, yea arising in My word, My word, My New Covenant broken open from the beginning, from the beginning to the end, not, or is there one? Yea, for I am eternal and everlasting and you are I Am.

17. I love you and I give you Me. And I thank you for standing, standing, and having done all to stand, know that you are I Am and yea, I behold you and there is no other. Yea, the forces of evil that would seek to come against, delay, divert, destroy, yea, are powerless; walk through them, walk through them, yea, in My peace, in My peace, yea, swell. I love you. I am you. We wear each other well, don't we?

18. Thank you for loving My tender, tenderly; My brash and My brutish; thank you for loving them as well, equally. I love you.

19. Your life from Mine. Thank you. I give you Me. All that you have wanted/dreamed of and manifold more.

20. Thou art a priest; thank you for receiving, alienating not My priesthood from yours, but yea, being Me. Thou art one. Thou art one in the priesthood of believers and all that I have given all to. See what I have said, beholdened into your hands this day.

21. I love you, I love you, I love you, I love you, I love you, I love you, I love you, I love you.

22. Thank you for loving Me enough to speak My words and be My guts, My voice, My man among men, leader with leaders, arising My body into the position of wholeness I am. Amen. Amen. Amen.
Thank you.
